CALL FOR PAPERS

Lynne Edwards (Editor) and Katy Stevens (Associate Editor) invite your submissions for the first issue of *Watcher Junior*, a refereed, electronic journal for undergraduate student scholarship in *Buffy* Studies. Completed essays and research papers will be reviewed by members of the board and will be accepted for publication if three reviewers approve. Essays that do not receive approval for publication will be returned with feedback for re-submission.

We welcome completed essays and research papers on any aspect of *BtVS*, *Angel*, or both programs. All papers should exhibit familiarity with previously published scholarship in *Buffy* Studies. The editors accept essays with a variety of recognized documentation styles (APA, MLA, or Chicago); however, all submissions should include a list of Works Cited.

Submit your work electronically as an e-mail attachment in Microsoft Word (.doc) or in Rich Text Format (.rtf). Be sure to number your paragraphs in the text you submit. Send it simultaneously to Lynne Edwards at edwards@slayage.tv and Katy Stevens at stevens@slayage.tv.

Please contact us (Lynne or Katy) via email with questions.
